

Alternative University Theatre Parking

Due to construction at University Square, Lot 47 (metered parking) will be closed.

For general parking, we recommend the metered ramps at 1) Grainger Hall, 2) Lake Street and Johnson Street, and 3) the parking ramp on Lake Street near University Avenue.

For Patrons with Additional/Special Needs, there is a patron drop off/pick up circle in front of the Chazen Museum of Art on University Avenue. There will be a crosswalk (with a light signal) at the Murray Mall leading to Vilas Hall across University Avenue. The light will be functional as of June 16, 2006.
